2017 – 2018

MEMBER HANDBOOK

Welcome to CYSO! Your agreement to join us is a commitment to your conductors, the organization, your colleagues in the orchestra and the music you will prepare throughout the year.

ABOUT CYSO

The CYSO was founded in 1984 by the University of Denver to provide an orchestral musical experience for children and young people. We have grown from two small groups to four ensembles consisting of 115 musicians. Virtually everyone can find a place in CYSO. For the past 14 years, CYSO has extended educational outreach programs to underserved public schools in Denver and Aurora. CYSO is a non-profit organization.

OUR MISSION

CYSO provides access to musical understanding, fostering social growth, self-esteem, and a lifelong love of music for all aspiring musicians.

OUR GOALS

To develop musical skills and literacy while learning a sense of ensemble.

To emphasize social and emotional growth appropriate to the students' age levels by focusing on group cooperation rather than individual competition.

To include youth of all ability levels and varied social and economic backgrounds from the Denver metropolitan area.

To support and enhance school instrumental music programs by requiring CYSO members' participation in such programs where they exist.

To advocate the creation of instrumental music programs where they do not exist.

To bring to CYSO participants an understanding and appreciation of fine orchestral literature consistent with the age and skill levels of the different ensembles.

CYSO REHEARSALS

ALL REHEARSALS ARE HELD ON MONDAY NIGHTS.

The orchestral program involves students of all ages and musical abilities. The ensemble programs include students from beginners to more advanced musicians.

Sinfonia: young and beginner musicians play in this string orchestra. The focus is on music education and basic techniques.

Philharmonia: this orchestra consists of students at the intermediate level. The Philharmonia introduces wind instruments into the ensemble.

Symphony: this is a full symphony orchestra comprised of CYSO's most advanced students.

Wind Ensemble: winds and brass from both the Philharmonia and the Symphony combine each week for a one-hour rehearsal from 7:45-8:45. Fundamentals of winds and brass playing are emphasized in this wind ensemble.

All students are responsible for setting up their chair and stand and putting them away after rehearsal!

DONATIONS

Ticket sales and dues pay only a small portion of the cost it takes to run CYSO. Donations from members, their families and friends, or their businesses or companies and the public play a major role in keeping CYSO stable. All donations are tax-deductible. **WE NEED AND WELCOME YOUR DONATIONS!** PLEASE MAKE YOUR DONATION ONLINE (OR IN PERSON OR BY MAIL) AT:

WWW.COLORADOYOUTHSYMPHONY.ORG

BEHAVIORAL CONDUCT

It is the goal of CYSO to create an atmosphere in which student musicians can thrive and further develop their training and musicality. It is also a goal to create an orchestra that consists of students who desire to thrive in such an atmosphere. Behavioral misconduct by students is not in line with these goals. Therefore, CYSO has a zero-tolerance policy regarding the issue. Any actions deemed by the Executive Director as inappropriate may result in that member being expelled from CYSO. **Any disrespect shown to a CYSO administrator or staff member will result in possible dismissal from the CYSO organization.**

ATTENDANCE POLICY

The participation of all orchestra members in *all* rehearsals is vital in the preparation for the orchestra's performances. While it is recognized that there may be occasional conflicts, all absences adversely affect the preparation of the orchestra.

If a student has more than two absences in a concert period, the conductor may choose to disqualify that student from participating in the upcoming concert. All decisions are made by the conductors and all decisions are final. Dress rehearsals are the last rehearsal before any actual concert. All discussions concerning these policies should be made with the conductor of the student's assigned orchestra.

The CYSO conducting staff will offer any assistance it can in resolving scheduling conflicts or in reaching a compromise that is acceptable to both parties. You must provide your conductor with one week's notice to attempt to work out a resolution, and remember that compromise requires flexibility from all parties involved. CYSO conducting staff will discuss absences only with the orchestra member and his/her parent or guardian.

Absences must be approved by your conductor at least 1 week in advance, by email. Absences due to illness or emergency must be reported to the conductor of the student's assigned orchestra *before* the beginning of the missed rehearsal. Conductor emails can be found on our website. All absences, lateness, or early dismissal for legitimate reasons (achievement tests, school, music groups, etc.) must be approved by the conductor of the student's assigned orchestra in at least one week in advance. Note that tardiness or absence because you have misread (or not read) the schedule will be considered unexcused. **Just because an absence is reported DOES NOT mean it is excused.**

ALL MATTERS PERTAINING TO STUDENTS' ATTENDANCE AND PERFORMANCE IN THE STUDENT'S ASSIGNED CYSO ORCHESTRA SHOULD BE DIRECTED TO THE CONDUCTOR OF THE STUDENT'S ASSIGNED ORCHESTRA. PLEASE DO NOT CONTACT THE CYSO OFFICE CONCERNING ABSENCES. YOU MUST EMAIL YOUR CONDUCTOR!

REHEARSALS AND SECTIONALS

CYSO WILL TOLERATE NO CELL PHONE USE DURING REHEARSALS OR CONCERTS.

Rehearsals are held on Monday evenings at Colorado's Finest High School of Choice, located at 300 W. Chenango St, Englewood CO.

- *Sinfonia* rehearses from 6:30pm to 8:30pm.
- *Philharmonia* rehearses from 6:30pm to 8:45pm. Strings only from 7:45-8:45. Winds go to Wind Ensemble rehearsal during this time.

- *Symphony* rehearses from 6:30pm to 8:45 pm. Strings only from 7:45-8:45. Winds go to Wind Ensemble rehearsal during this time.
- *Wind Ensemble* rehearses from 7:45-8:45 pm

Snow Days are rare. Rehearsals are only cancelled under extreme conditions. **If anything is changed or cancelled, it will be on the website and you will receive an email from the CYSO office.** Because members come from all along the Front Range, driving conditions vary enormously, and families and members must judge what is safe for their circumstances. If you choose not to attend a rehearsal due to bad weather, **you must communicate with your conductor, NOT the CYSO office.**

Parents are responsible for knowing the schedule—check the website weekly. Please bring your music folder and a pencil to every rehearsal. You should arrive early enough to sign-in on the attendance sheet, set up, and warm up (you should give yourself at least 15 minutes). **Your conductor will have your sign-in sheet. Please see your conductor to sign in.** You should sign-in *before* your assigned orchestra rehearsal start time.

New music is always uploaded on our website. **Students have the responsibility of downloading and printing the music from the website—music will not be sent out via email, nor will CYSO staff bring music to rehearsal. All students must print and bring their music to each rehearsal.** Please be especially aware of this fact when we start new music. Any questions regarding the music must be directed to Katherine Wilson, librarian, at cysokatherine@gmail.com.

Arriving at rehearsal on time and with the proper equipment is only the first step. The CYSO has relatively few rehearsals per concert segment, so it is imperative that members use their own time to learn and practice their parts. Expect to spend all the time you need each week preparing your part for the upcoming rehearsal, and work out technical problems with your private teacher in advance so that Monday rehearsals can be a time for shaping interpretation with the whole ensemble. Players who appear to be inadequately prepared on a regular basis may be re-seated or dismissed from the orchestra. This decision will be made by the conductor. Decisions of the conductors are final.

ORCHESTRA AUDITIONS AND CHAIR TESTS

Orchestra Auditions: Auditions are formally held each spring and throughout the year for new applicants. Members re-audition for their seats yearly in May. Notification of acceptance is made by email. Auditions usually consist of a short excerpt, sight-reading and scales. Auditions are unaccompanied. Memorization is not required.

If the orchestra lacks players in any section during the season, prospective players may audition by special appointment.

Chair Tests: These auditions are held once a year in September and usually consist of music that is being prepared by the orchestra. If a student is unable to make the scheduled assessment, they will be seated at the back of their section. The conductor has the right to move a student anywhere in the section they feel is appropriate. The decision of the conductor is final. There are no exceptions. **ALL CYSO STUDENTS PARTICIPATE IN CHAIR TESTS!**

Note: Seating changes in any section may be made by the conductor at any time! All decisions are final and may not be appealed.

CONCERTS

The CYSO will perform various concerts throughout the season (see 2017-18 schedule on the website). Please be on time to all dress rehearsals and concert calls. - Soliciting donations for CYSO
- Helping with concerts, auditions and competitions
- Assisting CYSO staff with data entry, filing, mailings and other administrative work

CYSO families must participate in the "Community Support" program. The purpose of the program is to create a positive sense of community between CYSO member families and the organization as well as to insure that volunteers are

available and motivated to help with fundraising and CYSO events. Each family pays a \$125 deposit, which can be earned back by volunteering. We have many projects, events, concerts, administrative work and fundraising which require your help. **Six hours of volunteer service** is required to earn back your entire deposit.

Each family will receive a red parent volunteer card at the beginning of the 2017-18 season. Each time you perform a volunteer duty you will record it on the red card and have it initialed by CYSO staff. At the end of the season, if you have completed **six hours** of volunteer work, you must mail your completed and signed card to the CYSO office by June 30, 2018. If we do not receive a card in the office by this date you will not receive a refund. With the mailing in of the card you will receive a refund of \$125 in July 2018. **NO PARTIAL REFUNDS.** Please read the back of your volunteer card for all instructions! **WE NEED YOUR COMPLETE ADDRESS TO BE REFUNDED!**

All parent volunteer opportunities are announced by email. First come, first served (gets the volunteer opportunity) and you must email back to request participation in that activity.

PARENT-STAFF COMMUNICATIONS
